Beijing International Choral Festival
*A Special Invitation to
 Florida State University Alumni
 July 9-15, 2007*

There are two ways for FSU choral alumni to participate in the Beijing International Choral Festival under the artistic direction of Drs. André Thomas and Kevin Fenton.

1. As a member of the Florida State University Alumni Choir (group being created especially for this festival)
2. As a director bringing members of your own choir

Below are two different sections: The first for individuals interested in the FSU Alumni Choir, the second for directors wishing to bring their own choirs.

SECTION #1: For FSU Alumni Choir Participants

The FSU Alumni Choir is being formed for participation in the Beijing Festival. All former FSU choral/voice students are eligible. This choir will work under the direction of Drs. Thomas and Fenton. There will be no group rehearsals before departure from Atlanta, GA on July 8, 2007. A repertoire list will be provided to singers who will be responsible for learning their parts beforehand. The choir will then rehearse with the festival chorus in China.
