Below is a sample tour schedule for orchestras that visit Los Angeles to participate in the festival. Longer and shorter tour options are available upon request. Los Angeles-based orchestras are also welcome to participate. Contact Music Celebrations International for more details.

The West Coast Youth Orchestra Festival is designed to bring together four outstanding youth orchestras from across North America to perform for one another and the community in a World Class venue on the West Coast. The location will rotate between prestigious halls, and in 2015 the festival will take place in Music Center's Walt Disney Concert Hall.

Situated in the heart of downtown Los Angeles, Walt Disney Concert Hall is an architecturally stunning and acoustically magnificent concert venue. Designed by legendary architect Frank Gehry, it serves as home for the Los Angeles Philharmonic, and features perhaps the world's most uniquely-designed concert organ.
