# An Exclusive Concert Series

Konzerthaus

Austria is so steeped in music that musicians the world over consider a performance tour here as a musical pilgrimage to the cradle of Western Civilization's musical heritage. To combine performances in exciting and historical venues with on-the-spot exposure to the music of the Masters is an enriching musical and educational experience.

Gluck, Haydn, Mozart, Beethoven, Schubert, Bruckner, Brahms, Strauss, Mahler, Schoenberg, Herbert von Karajan, Karl Böhm and numerous other musical personalities were all Austrian by birth or adoption. Vienna was their home. Their music influenced the entire world. Festival participants see their homes, their manuscripts, their musical instruments, venues of their incredible performances, and walk in their footsteps.

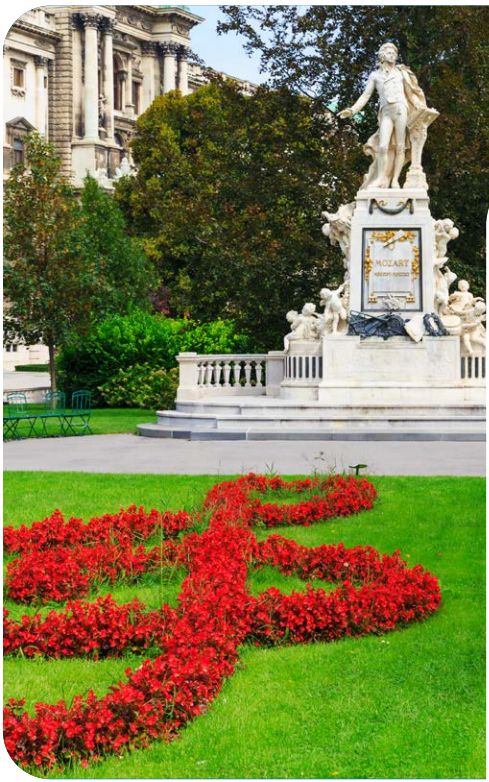

Picture your orchestra performing in Vienna's Konzerthaus, Salzburg's University Church, or Bad Isch's Lehar Theatre!

*There were several tour highlights, I think the musicians will treasure the performances at MuTH, the Golden Hall of the Musikverein, and in Bad Tatzmannsdorf.*

Jill Hardin, Executive Director  
East Texas Youth Orchestra
