# An Exclusive Concert Series

Located in the heart of coastal Northeastern Europe are the three Baltic States of Estonia, Latvia, and Lithuania. Though their cultures and languages are all different, the three nations share common artistic origins, especially in vocal and instrumental folk music and dance that are still vibrant parts of the regional culture today. The respective capital cities of Tallinn, Riga, and Vilnius all boast breathtaking scenery and artistic traditions that performing groups are sure to enjoy.

Imagine walking in the footsteps of famous Baltic composers, such as Estonian Rudolf Tobias, Latvian Jāzeps Vītols, and Lithuanian Mikalojus Konstantinas Čiurlionis, all prolific, conservatory-trained musical pioneers in their own countries. Ensembles will be exposed to the region's vast musical history and many performance opportunities, all amidst the celebrated artistic culture of the Baltic States.

*"As far as the performance opportunities - I literally have no words to describe how wonderful they were...in all my years as a choral conductor I have NEVER performed in front of such appreciative, engaged and enthusiastic audiences as I did on this trip."*

Joanne Ward, Director  
The Delaware Women's Chorus

*"The Peninsula Youth Orchestra's recent tour to Helsinki, Tallinn, and Riga will be remembered as one of the best tour experiences we've had in our 20+ years of touring. The sightseeing was engaging, the hotels were top-notch, the food was incredible, and our local Tour Managers were exceptional. The final concert in Riga in the Great Guild Hall was the performance highlight. A near full-capacity audience which responded enthusiastically to our program.*

Sara & Phil Salsbury  
Peninsula Youth Orchestra

*"It was a fantastic adventure! Thank you to Music Celebrations International for a wonderful trip. The meals, almost without exception, were delicious, fresh, and presented well. The [sightseeing] excursions were truly special. The concert audiences were a highlight -- really nice-sized audiences, especially in Latvia.*
