Mendelssohn Hall

# An Exclusive Concert Series

Germany has produced more music and greater composers than any country in Europe. Early influences included the Meistersingers who introduced polyphonic music and Martin Luther who helped church music develop an individual identity which gave rise to the German cantata and oratorio. From these 13th and 14th century beginnings, music developed in its highest forms under Bach, Handel, Gluck, Beethoven, von Weber, Brahms, Wagner, Mahler, Strauss and scores of other great composers.

Imagine your musicians performing in a venue associated with Mendelssohn, Luther, Bach, Handel, Brahms or Pachelbel! The musical experience is enhanced by other sensory experiences and the fact that Germany boasts incredible scenery, art, architecture, and a rich history. Berlin, Munich, Heidelberg, Rothenburg, Cologne, Leipzig, Dresden, Weimar and other major cities illustrate the diversity of experiences that await festival participants.

*"I've been traveling with ensembles to Europe since 1961 and have considerable experience with travel organizations but I can truthfully say Music Celebrations International is the most professional organization I have worked with."*

William Silvester, Director  
All American Youth in Concert NJ
