MEMORIAL DAY WEEKEND

A NATIONAL PARADE TO THANK VETERANS

Memorial Day (originally known as Decoration Day) is much more than a three-day weekend that marks the beginning of summer. To many people, especially the nation's thousands of combat veterans, this day, which has a history stretching back all the way to the Civil War, is an important reminder of those who died in the service of their country.

In 2004, after a long absence, a parade returned to Washington, D.C. on Memorial Day to coincide with the dedication of the National World War II Memorial. This outpouring of appreciation to the veterans of World War II spilled over to veterans of the more recent conflicts. Anthony A. Williams, former Mayor of Washington, D.C., was so moved by this parade that he was instrumental in reinstating it as an annual event in conjunction with the American Veterans Center and Music Celebrations International.

Now, every year on Memorial Day, this three-hour parade passes alongside the National Mall on Constitution Avenue

between 7th and 17th Streets in a magnificent salute to America's Veterans and in honor of those who died in defense of our country. The parade consists of select marching bands and veteran units from each of the 50 states honoring World War I, War World II, The Korean and Vietnam Conflicts, Desert Storm, and the liberation of Grenada, Panama, Iraq and Afghanistan. Large patriotic floats and helium-filled balloons are also part of the procession. More than 10,000 participants take part in the parade each year.

"This is the single most memorable event of my teaching career of 22 years. I have participated in parades in Europe and all over the US, but none compared to the experience of the National Memorial Day Parade in Washington, D.C. My students and I were overwhelmed with emotion as we approached the start of the parade. Once we turned the corner they marched with a sense of pride I have never experienced in my 11 years with this group. I have been in marching bands for 34 years, and the sense of pride we experienced by participating in this parade was second to none."

The National Memorial Day Parade is a moving timeline of American military history, honoring those who have served and sacrificed from the American Revolution to the present day. It draws on the tradition of Memorial Day parades, going back to the beginning of the holiday just after the Civil War, to create a family friendly event aimed at calling attention to the true meaning of Memorial Day – honoring our fallen heroes.

Not merely an event for Washington, the National Memorial Day Parade is an event for the entire country—a major parade which seeks to draw the attention of Americans to the real meaning for the holiday: honoring those who have served, and died, to preserve our liberties.
