About the Preview Tour

Though the cultures and languages of the Baltic States are different, these three nations share common artistic origins in music and dance that are still vibrant parts of their culture today. Join us July 8-15, 2025 as we embark on an extraordinary tour to Estonia, Latvia, and Lithuania to the homeland of Rudolf Tobias, Jāzeps Vītols, and Mikalojus Konstantinas Čiurlionis. This is an incredible opportunity to become familiar with the highlights of a Baltics concert tour in advance of your group's participation. Participants will be exposed to the region's vast musical history and many performance opportunities, all amidst the celebrated artistic culture of the Baltic States.

Highlights include:

- Explore the historic city of Vilnius including its Cathedral Square and gothic corner with the churches of St. Anne and St. Bernardine.
- Visit the Hill of Crosses near the city of Riga with over 50,000 crosses built from various materials.
- Tour the old town of Riga with the famous Dome Cathedral, Freedom Monument, National Opera, and Castle, and Art Nouveau district.
- See Gauja National Park, surrounded by hilly river banks and sandy caves. Also visit the Turaida Castle, built in the 13th-century.
- Visiting the Tallinn Song Festival Grounds where every 5 years, the Tallinn Song Festival features 25,000 singers performing for an audience of nearly 100,000.

"The preview tour was amazing! There's no way I'd ever plan a trip without one. It helps so much to fire up students, share first-hand experience, and so on. MCI does a fabulous job through and through!"
