## TRAVEL PROTECTION FAQ (Prepared by Trip Mate)

### What is CFAR? What does CFAR cover?

CFAR stands for “cancel for any reason.” With CFAR tour members can cancel for any reason that is not a covered reason for Trip Cancellation by filing a claim for 75% of their *non-recoverable* investment. The request for cancellation must be received by MCI’s office in writing up to 2 days prior to the tour’s scheduled departure date.

### Are doctors available on call through the travel protection plans?

Our standard and premier plans include multi-lingual medical professionals available 24 hours a day to provide help, advice, and referrals for medical emergencies. They can help you locate local physicians, dentists, or medical facilities, and provide services for:

- Medical Consultation & Monitoring
- Medical Evacuation Arrangements
- Emergency Medical Payments
- Prescription Assistance
- Repatriation of Remains Arrangement
- 24-Hour Legal Assistance
- Language Interpretation Services
- Emergency Cash Transfer

Please Note: These are non-insurance services provided by Generali Global Assistance and not underwritten by US Fire Insurance Company

### **What is considered to be a covered quarantine?**

“Quarantine” is a strict medical isolation imposed by a recognized government authority, their authorized deputies, a medical examiner or a physician to prevent the spread of a disease. An order is not considered to impose a strict medical isolation unless the order requires the relevant person to be confined twenty-four hours per day, seven days a week throughout its duration.

### **What happens if a tour member needs to quarantine on tour?**

Our travel protection plan includes Travel Delay coverage with a benefit of up to \$4,200 total (\$300/day). If a tour member contracts the Coronavirus and needs to be quarantined (as defined above), Travel Delay provides coverage for additional expenses for reasonable accommodations, meal and local transportation expenses.

### **Is there a deadline for purchasing the Travel Protection Plan?**

Tour members can purchase travel protection without CFAR (Travel Protection Plan R774D) up until 1 day prior to departure. Travel protection with CFAR (Travel Protection Plan R774P) needs to be purchased within 21 days of MCI's receipt of the first per person payment.

### **Will a cancellation be covered by the Standard Coverage if a tour member has to cancel prior to departure?**

Only if the tour member is canceling for a covered reason as outlined in the plan documents. The Standard Plan has a very limited amount of coverage (\$600 of the tour cost). Purchasing the Deluxe Plus plan with “Cancel for Any Reason” (CFAR) is the best way for tour members to protect their investment.

### **Is CFAR/Cancel For Any Reason available to tour members from all 50 states?**

Tour members from all US states, except New York, are eligible to file a claim under CFAR/Cancel For Any Reason.

### **If a tour member is a resident of the state of New York: is it worth it for them to buy travel protection if they cannot get CFAR/Cancel For Any Reason coverage?**

Yes, it is worth it to buy travel protection. Even without CFAR/Cancel For Any Reason\* coverage, tour members will still be eligible for the Trip Cancellation and Interruption benefit (which includes certain coverages during quarantine, as noted above), as well as multiple other benefits.

### **If a tour member lives in any state (other than New York), do they have a choice as to whether they buy the plan with CFAR or without CFAR?**

Yes, tour members have a choice to either buy the plan with CFAR or without CFAR. Trip Mate highly recommends all eligible tour members to buy the plan with the CFAR coverage.

*\*Cancel for Any Reason Benefit is not available to NY Residents. Additional cost and terms apply*

### **What if an individual decides not to travel, but the group is moving forward?**

If an individual decides not to travel but the group is moving ahead, you will follow MCI's cancellation penalty structure for your group. Whatever the non-recoverable amount adds up to is what the individual tour member would file their claim for with Trip Mate. The individual can receive full reimbursement of their non-recoverable tour expenses if their reason for cancelling their tour is covered under the Trip Cancellation coverage. If the individual's reason for cancelling their tour is not covered under the Trip Cancellation coverage, they can receive 75% reimbursement of non-recoverable tour expenses, provided they have purchased the plan with CFAR/Cancel For Any Reason coverage.

### **Where can tour members go for questions about the travel protection plans?**

MCI can help with questions on pricing related to travel protection. However, if tour members have any coverage questions, they can reach out to the travel protection plan administrator, Trip Mate, a Generali Global Assistance & Insurance Services brand.
