Music Celebrations International
Concert Tours With Integrity

An Exclusive Concert Series

South Korea is an exciting and dynamic destination for ensembles seeking unforgettable international experiences. From the vibrant streets of Seoul to the tranquil palaces of Gyeongju, South Korea offers a rich blend of ancient tradition and cutting-edge modernity that will captivate both performers and audiences alike. Music and cultural exchange are deeply valued, and ensembles are warmly welcomed to share their talents in some of the country's most stunning concert venues, historic sites, and lively community festivals.

Performance opportunities in South Korea are as diverse as its landscapes. Ensembles can showcase their artistry in state-of-the-art concert halls, ancient temples, open-air festivals, and even in collaboration with local student and professional musicians. Audiences are enthusiastic and appreciative, creating a rewarding environment for musicians to connect through the universal language of music.

Beyond performances, South Korea offers a wealth of cultural experiences—explore bustling markets, visit UNESCO World Heritage Sites, take part in traditional tea ceremonies, and even try your hand at Korean drumming or dance. A tour to South Korea promises not only incredible performances but also unforgettable memories, meaningful cultural exchanges, and a deeper appreciation for one of Asia's most fascinating countries.

"MCI is amazing to work with! They do not use a "one size fits all" itinerary. Rather, they work with our group individually to collaborate on an itinerary that meets our group's wants and needs. They go above and beyond, doing everything they can to create once in a lifetime experiences. We are grateful to MCI for making a lasting impact on our students and for creating experiences that leave inspiring memories!"

“Great tour! Too many highlights to list! If you asked the participants, each would answer differently. My MCI Team were all “top drawer”, and our local Tour Manager was by far the best of all our 10 tours. Everyone loved her! Besides the normal stuff like good hotels/food/managers/drivers, our biggest concern always (after safety), is concert arrangements/publicity. You have never let us down in that respect. Keep it up!”
